PRESIDENTS' DAY
OPEN HOUSE 2020

PRESENTATIONS **4** | CAMPUS MAP **8** | SPECIAL EVENTS **11** | OPEN CLASSES **21**

MESSAGE FROM THE PRESIDENT

RODNEY K. ROGERS, PH.D. '81

Dear Future Falcons and Families,

On behalf of our current students, faculty, staff and more than 187,000 alumni, welcome to Bowling Green State University! We hope you have a meaningful and productive experience at our 2020 Presidents' Day Open House.

Here, our students find a learning community where they belong and stand out. Whether that is inside the classroom through our quality academic programs or in co-curricular activities such as study abroad, undergraduate research, internships and co-ops, themed learning communities and civic engagement, our holistic educational approach ensures a strong foundation so our students are life-ready.

Bowling Green State University is a public university for the public good. From our comprehensive efforts to support student success to our faculty's robust research and creative activities, BGSU is committed to driving the vitality of Ohio, the nation and world. And as a selective admission university, your acceptance is our commitment that we believe you will succeed here.

BGSU alumni go far. They do well in their careers, but also do good in their communities in all 50 states and around the globe. Falcons make a difference. Our graduates share one commonality: they started their BGSU experience with visit days and campus tours, just like you.

As an alumnus and as a parent of a student at Bowling Green State University, I believe in the value of our education. For some of you, this may be the first college experience for your family; for others, you may be well

into the college search process. Either way, we understand and value the responsibility to ensure you are supported during this exciting transition. That starts with me. If you have any questions or need assistance, feel free to reach out to me at rrogers@bgsu.edu or on Twitter at [@Pres_Rogers](https://twitter.com/Pres_Rogers). I am here to help.

I hope you have an exciting and memorable visit, and I hope to see you on campus.

Ay Ziggy Zoomba!

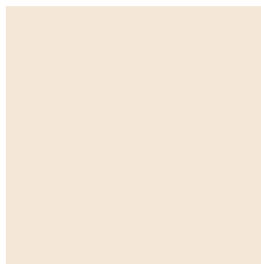

Regards,

Rodney K. Rogers, Ph.D.
President

WELCOME TO BOWLING GREEN STATE UNIVERSITY, ONE OF THE BEST COLLEGE TOWNS!

QUESTIONS?

If you have questions or need assistance navigating the schedule today, stop by the Presidents' Day Information Desk, located in the Bowen-Thompson Student Union Ballroom. Stationed in the same room as the Information Fair, BGSU representatives will be available to assist with any questions until 3 p.m. Stop here to connect with Presidents' Day experts who can help you select the best activities for the day, provide directions, answer questions — and more.

This program is your guide to everything offered today. Choose as many or as few of the activities that interest you. The choose-your-own schedule format allows you to explore campus and learn more about the ultimate university experience at BGSU.

Transportation Around Campus

University Shuttles and buses chartered especially for this day will transport you around campus. Refer to the map on pages 8 and 9 to locate campus shuttle stops. To return to your vehicle at the end of your visit, board a University shuttle from any of the campus shuttle stops.

Academic Open Houses and Classes

Academic departments will be holding open houses, providing you with access to various spaces on campus and connections to faculty and current students. Class is in session today, and you're welcome to sit in on a class or two, to get a glimpse at a day-in-the-life for BGSU Falcons. Refer to pages 11-20 to review the full list of open houses and special activities and pages 21-26 for open classes.

Campus Tours

A 1-hour walking tour of campus will be available from 11 a.m. to 3 p.m. Tours are departing from the second floor of the Bowen-Thompson Student Union, near room 201. Note: If you have already visited campus and taken the Office of Admissions campus tour, this activity will be repetitive. Residence Halls are not featured on the general campus tour.

Residence Hall Tours

While residence halls are not featured on the general campus tour, all residence halls available to first-year students are open for self-guided tours from 10 a.m. to 3 p.m. The list of open residence halls can be found on page 10 and the map of open residence halls is included on 8 and 9.

Information Fair

Meet BGSU faculty, staff and students representing various academic and student service areas during the Information Fair. The Information Fair will be open from 8:30 a.m. to 3 p.m. in the Bowen-Thompson Student Union Ballroom. Explore the full list of participants on page 6.

Presentations and Information Sessions

Choose from a wide selection of presentations and information sessions on topics like Financial Aid, Residence Life, the Deciding Student Program, the BGSU Honors College and many more. A full schedule can be found on page 4.

The Full BGSU Experience

Enjoy lunch at one of our dining halls, and stock up on BG gear at Falcon Outfitters. Dining Hall locations and hours can be found on page 10. Use the coupons received at check-in for a special discount in our dining halls or Falcon Outfitters.

Next Steps for Admitted Students

Once you've been admitted, there are some important steps you need to complete in order to confirm your enrollment at BGSU. Detailed information on these steps, and items you can complete today during your visit, can be found on page 7.

PRESENTATION AND INFORMATION SESSION SCHEDULE

9, 10:30 a.m. and 12:45 p.m.

Residence Life: On-Campus Housing Session

Oiscamp Hall, Room 101 (9 a.m., 10:30 a.m.)

Room 228 - Multipurpose Room, Bowen-Thompson Student Union (12:45 p.m.)

Join the Office of Residence Life as they describe what it's like to live on campus. (30 mins)

9:30 a.m.

BGSU through the Multicultural Lens

Room 308, Bowen-Thompson Student Union

Join us for a conversation about the opportunities for students from diverse backgrounds during their time at BGSU. Hear about life on campus—both in and out of the classroom—to better understand why BGSU is the right place for you. (45 mins)

9:30, 10:30 a.m. and Noon

Next Steps to Becoming a Falcon

Room 228 - Multipurpose Room, Bowen-Thompson Student Union

Attend this session to learn more about important dates and events leading to fall enrollment. (30 mins)

9:45 a.m. and 12:30 p.m.

Learning Communities: Live, Learn & Thrive at BGSU!

Room 206 - Theater, Bowen-Thompson Student Union

Learning Communities at BGSU are great for those who want to connect with other students who have similar majors, goals and passions. If you join a community, you will have the opportunity to live in a block of rooms designated to the community and pick your housing before standard room selection. Join this session to hear more about the study groups, built-in friendships and extracurricular activities you'll enjoy as a member from current student members. (30 mins)

9:45 a.m.

The Secret To Your Success: Why Participate as an Undergraduate in Research or Scholarly Activity

Room 227, Bowen-Thompson Student Union

Learn more about the undergraduate research and scholarly opportunities at BGSU for ANY major and how such activities can help students prepare themselves for their academic or non-academic careers. (30 mins)

9:45, 11:15 a.m. and 1:30 p.m.

Financial Aid Information

Oiscamp Hall, Room 101 (9:45, 11:15 a.m.)

Room 228 - Multipurpose Room, Bowen-Thompson Student Union (1:30 p.m.)

Staff from Student Financial Aid and Scholarships will provide information on BGSU's financial aid timeline and going over your financial aid offer. (30 mins)

10:30 a.m. and 1:30 p.m.

Honors College

Room 308, Bowen-Thompson Student Union

The Honors College provides one of the highest accolades on campus, University Honors, in addition to smaller classroom environments, priority class registration, and mentoring relationships with the faculty. (30 mins)

10:30 a.m.

Earn and Learn: Part-Time On-Campus Employment

Room 227, Bowen-Thompson Student Union

Are you interested in working part-time while enrolled at BGSU? Please join us to learn about connecting with on-campus jobs, what to expect working on-campus, and the services that our office provides. (30 mins)

10:30, 11:15 a.m.

Beyond the Classroom: Student Life at BGSU

Room 206 - Theater, Bowen-Thompson Student Union

As you look ahead to your first year as a Falcon, you might have questions about life outside of the classroom. From safety and wellness to student organizations and academic tutoring, we're committed to making sure you have all the tools and support you need to be successful at BGSU. Attend this session to ask questions and learn more about what life is like beyond the classroom. (30 mins)

11:15 a.m.

Education Abroad

Room 308, Bowen-Thompson Student Union

Come learn about the opportunities BGSU offers to make study abroad feasible, accessible, and applicable to your professional and academic goals. We will present long-term and short-term options, when to participate, how to fund and answer your questions. (30 mins)

11:15 a.m.

Resort and Attraction Management

Room 227, Bowen-Thompson Student Union

The only program of its kind in the country, BGSU is partnering with Cedar Fair to offer a Bachelor's of Science in Resort and Attraction Management. Learn all about our partnership with Cedar Fair, guaranteed, paid, customizable co-ops, generous scholarships only for students in the major, career opportunities, our brand new building and more. (30 mins)

11:15 a.m.

A "Major" Decision: How BGSU helps students who are undecided in their majors

Room 228 - Multipurpose Room, Bowen-Thompson Student Union

Still deciding on a major? Whether you are exploring options or trying to decide among a

few majors, we invite you to learn about the Deciding Student Program, which is specifically for undecided students. This session will highlight how we help students pick a major and give them the tools to graduate on time. (30 mins)

12:45 p.m.

The Falcon Learning Your Way (FLY) Program

Room 227, Bowen-Thompson Student Union

The Falcon Learning Your Way (FLY) Program is a BGSU Learning Community specifically designed to assist students with learning differences (such as Specific Learning Disabilities and/or Attention Deficit Hyperactivity Disorder) by providing them with a supportive and structured academic environment to succeed at BGSU. Discover key features of the fee-based program including individualized academic support services, one-on-one weekly meetings with a Learning Specialist, coordinated tutoring and mid-term progress reporting. (30 mins)

1:15 p.m.

Club Sports @ BGSU

Room 206 - Theater, Bowen-Thompson Student Union

Looking for a way to stay active and continue playing the sport you loved in high school? Join us for an information session about club sports at BGSU! (30 mins)

1:30 p.m.

Your Career Starts with a Handshake

Room 227, Bowen-Thompson Student Union

Learn about our new recruitment platform, Handshake, and other resources to help students explore different career paths, build their professional network and connect with employers throughout their undergraduate career! A tour of the Career Center will immediately follow the presentation. (30 mins)

2 p.m.

Get Ahead on the College Experience with the Freshman Wilderness Experience

Room 206 - Theater, Bowen-Thompson Student Union

Join the Outdoor Program for either a week of canoeing on the Manistee River or backpacking a portion of the Appalachian Trail. You will meet other incoming first-year students and learn how to handle the transition from high school to college from trained Outdoor Program and BGSU staff. Previous outdoor experience not needed. (30 mins)

2:15 p.m.

Come for a Bachelor's, Leave with a Master's

Room 308, Bowen-Thompson Student Union

Join us to learn how you can earn your bachelor's and master's degrees in as little as five years while saving time and money. (30 mins)

RESIDENTIAL LEARNING COMMUNITIES

Residential Learning Communities (LC) are designed to enhance your on-campus experience. Areas marked in orange are either LCs or host LCs in their college/department. If any of these spark your interest, we recommend visiting their table and touring the affiliated residence halls today from 10 a.m. to 3 p.m. Learn more about LCs on page 10.

- Founders Hall – Honors Learning Community
- Kohl Hall – Business District, Chapman (service leadership), Global Village, La Comunidad, La Maison Francaise
- Kreischer Quadrangle – Arts Village, Batchelder Music Community
- McDonald Hall – Air Force ROTC, Army ROTC, Aviation, Education and Human Development, Educations in Context and Community, SEARCH
- Offenbauer Towers – AIMS, ACTION, Forensic Science, Natural and Health Science Residential Community

OF GRADUATES REPORT THEY'RE EMPLOYED, IN GRADUATE SCHOOL OR STARTING A BUSINESS WITHIN SIX MONTHS OF GRADUATION

TAKE THE NEXT STEP.

Once you have been admitted, there are some important steps you need to complete in order to confirm your enrollment at BGSU. Detailed information on these steps, as well as other important resources for Future Falcons, can be found at bgsu.edu/next.

Below is a list of important items that can be completed during your visit today!

Activate Your MyBGSU Account

Activating your account provides you access to your personal BGSU email address and online portal where you can select on-campus housing, view your financial aid package and sign up for new student orientation (starting on March 23, 2020). If you haven't already, visit the Future Falcon Technology Hub, Booth Number 56 in the Information Fair to activate your account today!

Sign Up for Housing

Once you have been admitted and have activated your MyBGSU account, reserve your space by making the \$200 housing payment through your MyBGSU account. Then, you can form a room selection group. If you haven't already, visit the Future Falcon Technology Hub, Booth Number 56 in the Info Fair to submit your housing payment today!

Learn More About BGSU Residence Life

If you have questions about the housing selection process, Learning Communities, selecting a roommate or residence hall options, you're not alone! Tour one of the many residence halls open for tours today, attend a Residence Life or Learning Community Information Session, or visit the Info Fair to speak with representatives from Residence Life (Booth 27) or Learning Communities (Booth 27) in the Info Fair. Stop by the Residence Life booth to try out the 360° Virtual Tour Experience!

Connect With Student Financial Aid

Financing your BGSU education is an important part of the enrollment process. For more information on costs, financial aid, the FAFSA and more, visit the Student Financial Aid table, Booth 47) in the Display Area or attend a Student Financial Aid Presentation.

Tell the World You're a Falcon!

We're thrilled to welcome you to the Falcon Family and want to celebrate with you! If you've made your housing payment or will be a commuting student, be sure to visit the #BGBound Table, Booth 55 in the Info Fair, to **pick up your free BGSU Class of 2024 T-shirt!** Then, tell the world you're a Falcon! Take a photo on the orange carpet in the #BGBound Photo Area, then tweet, snap and post your BGSU spirit using #BGFutureFalcon and #BGBound!

Head to the Falcon's Nest on the first floor of the Bowen-Thompson Student Union at 11:30 a.m. for a special pop up performance by Ten40, an all-male a cappella group (one of the many a cappella groups at BGSU!) After a short performance, members will be available to chat about the organization.

RESIDENCE HALL TOURS – 10 A.M. TO 3 P.M. (UNLESS OTHERWISE NOTED)

Helpful tips:

- Today is the ONLY event when ALL of the first-year residence halls will be open for tours!
- Campus tours won't include a residence hall tour.
- To tour a residence hall, head to the lobby of the building you'd like to explore.
- Open residence halls are highlighted in orange on the campus map.
- You will be able to see one room on each tour. Other room types can be viewed at 360.bgsu.edu.

Make the most of your day:

We know this is a busy day and you may not have time to visit all of the residence halls. This guide will help you decide which residence halls to tour.

Tip: we grouped them together by location. If you're hoping to go on multiple tours today, we recommend exploring the other halls close by. This will save you some time.

Mark the halls you'd like to visit today:

EAST CAMPUS RESIDENCE HALLS

CENTENNIAL HALL \$\$\$ | S | D | T | P | AC

This is the most competitive first-year residence hall. If you didn't make your initial housing payment on Nov. 15, you may want to skip this tour. There are 600 beds available and we had over 1,000 people pay the day it opened.

CONKLIN HALL \$\$ | D | C | AC

Conklin is a close-knit community and is only available to new students. It's a great choice for students who have classes in the Fine Arts Center or like to find a quiet place to study in the library because these buildings are across the street.

KOHL HALL \$ | D | C | LC

A great hall for students interested in world culture, becoming future leaders and business majors because of the five learning communities who call Kohl home. You don't have to be a member to live here, but you will be missing out!

KREISCHER HALL \$ | D | C | LC

Love music or art? You could find your home here in one of the two learning communities. It is also a great option for students who like to work out and attend sporting events, and student athletes because the stadiums and the Rec Center will be your neighbors. It is also the only hall with a full-service dining facility in the building.

WEST CAMPUS RESIDENCE HALLS

MCDONALD HALL \$ | S | D | C | LC

Home to six learning communities for students in ROTC and aviation programs, education/education focused majors and students interested in exploring the BIG questions in life. You don't have to be a member of one of these communities to live here, but we recommend you check them out!

OFFENHAUER TOWERS \$\$ | S | D | T | C | LC | AC

With the math and science buildings across the street, this is a great location for STEM majors. If you want to guarantee a room in this building, we recommend checking out one of the four learning communities who call Offenhauer home.

FOUNDERS HALL \$\$ | S | D | P | LC | AC

Founders Hall is only available to new students who want to live in the Honors Learning Community or in All Gender Housing. Both of these options require an application and approval. We recommend touring this hall only if you are interested in one of these two options.
Open for tours from NOON – 3 p.m. only. See page 15 to learn more about the Honors Open House happening in Founders during this time.

S – Single room, D – Double Room, T – Economy Triple, P – Private Bathroom, C – Community Bathroom, LC – Learning Community, AC – Air Conditioning

DINING ON CAMPUS

Because Presidents' Day is designed to provide a collegiate experience, we encourage you to dine in one of the residential dining centers today. Listed below are the dining centers and their hours of operations. Please refer to the campus map included on pages 8 and 9 for location information. Be sure to use the coupon you received at check-in for a special discount at some of our dining centers on campus!

Dunkin Donuts 6 a.m. to 6 p.m.

Carillon Place 7:30 a.m. to 8 p.m.

The Oaks 9 a.m. to 9 p.m.

Market @ Kreischer 7:30 a.m. to 11 p.m.

Market @ Jerome Library 9 a.m. to 8 p.m.

Market @ Offenhauer 7:30 a.m. to 11 p.m.

Market @ Carillon Place 9 a.m. to 11 p.m.

Located in the Bowen-Thompson Student Union:

Starbucks 7:30 a.m. to 10 p.m.

Nest Market 10 a.m. to 9 p.m.

Black Swamp Pub 11 a.m. to 9 p.m.

Falcon's Nest 8 a.m. to 8 p.m.

Located in Olscamp Hall:

Dunkin Cart 7:30 a.m. to 6 p.m.

SPECIAL EVENTS

Major/Department	Special Events
Accounting	See College of Business
Actuarial Science	See Mathematics and Statistics
Adolescence to Young Adult Education	Chat with current students and learn about their experiences in the program that licenses you to teach grades 7-12. Education Building, Room 113 from 10:30-11:30 a.m.
Africana Studies	See World Languages and Cultures or College of Arts and Sciences
Air Force ROTC	Talk with current cadets and staff. Did you know we have a Learning Community? We have a block of rooms designated to our cadets in McDonald Hall. Ask us about our community! We also recommend taking a residence hall tour in McDonald Hall, home to our learning community from 10 a.m. to 3 p.m.
Allied Health	See College of Health and Human Services
American Culture Studies	See School of Cultural and Critical Studies
Apparel Merchandising and Product Development	Visit the AMPD studio in Eppler North, Room 201 and talk to student ambassadors and faculty from 10 a.m. to 2 p.m. Learn more about the opportunities offered in the AMPD program, see student projects and explore career possibilities.
Applied Economics	See College of Business
Applied Health Science, Health Care Admin	See College of Health and Human Services
Applied Health Science, Health Science	See College of Health and Human Services
Applied Mathematics	See Mathematics and Statistics
Architecture and Environmental Design*	Join us at Noon in the Technology Building, Room 220 to learn more about these exciting programs, speak directly with faculty and tour our exciting labs and studios. See also: College of Technology, Architecture and Applied Engineering
Army ROTC	We have a Learning Community. We have a block of rooms designated to our cadets in McDonald Hall. Ask us about our community! We also recommend taking a residence hall tour in McDonald Hall, home to our learning community from 10 a.m. to 3 p.m.
Arts Village Learning Community	The Arts Village is open to ALL majors and is one of the most popular learning communities on campus. The spirit is alive and creative every day in our community with on-site classes, collaborative projects, activities and social events. While you are here, check out a student room on a residence hall tour from 11 a.m. to noon in Kreisler Hall.
Asian Studies	See College of Arts and Sciences or World Languages and Cultures
Astronomy	Faculty will conduct tours of the Department and discuss our program, physics research opportunities, and career opportunities from 9 a.m. to 3 p.m. in Overman Hall, Room 104.
Aviation: Aviation Management and Operations Aviation: Flight Technology and Operations*	Prospective students highly interested in BGSU Aviation's Professional Pilot Program should attend this information session at 10 a.m. and 1 p.m. in the BG Flight Center. Aviation-specific topics including our flight training, costs, student organizations, the aviation learning community, and aviation careers will be covered. A guided tour of our facilities and aircraft will be hosted. The Aviation Information Session and tour lasts approximately 1.5 hours. For guests attending our 1 p.m. Aviation Information Session, we recommend you drive to the Flight Center in your vehicle. See also: College of Technology, Architecture and Applied Engineering
Aviation Learning Community	Interested in the Aviation Learning Community? Join a tour of McDonald Hall, hosted from 10 a.m. to 3 p.m., home to our learning community.
Biochemistry	See Chemistry or Biology
Biological Sciences	From 10 a.m. to 3 p.m., visit the Herpetology Lab (Life Sciences, Room 111) and Marine Lab (Life Sciences, Room 209). From 10 a.m. to 2 p.m., meet with faculty to learn about the various programs in biological sciences (Life Sciences, Room 223).
Business Analytics and Intelligence	See College of Business

Campus Sustainability	Join in on the fun and spin the Wheel of Recycling with BGSU Campus Sustainability at the Bowen-Thompson Student Union Information Tables, outside Falcon Outfitters from 11 a.m. to 2:30 p.m. All you have to do is spin the wheel, answer three trivia questions about recycling/waste reduction, and then you win a prize! The Wheel of Recycling is sponsored in celebration of the National 2020 RecycleMania competition in which BGSU is competing.
Cedar Fair Resort and Attraction Management	Visit the Cedar Fair Resort and Attraction Management display in the Grand Ballroom of the Bowen-Thompson Student Union.
Chapman Learning Community (Service Leadership)	Tour Kohl Hall, where we call home, from 10 a.m. to 3 p.m. You will meet current members and see why our community is so special.
Chemistry	Meet chemistry faculty to learn about chemistry programs, courses and careers. Tour the laboratory facilities and learn about research opportunities from 10 a.m. to 3 p.m. in Overman Hall 132.
Chemistry and Physics Education	See College of Education and Human Development, School of Teaching and Learning, Chemistry or Physics
Chemistry Education	See College of Education and Human Development, School of Teaching and Learning or Chemistry
Chinese	See World Languages and Cultures or College of Arts and Sciences
Chinese Education	See College of Education and Human Development, School of Teaching and Learning, World Language Education or World Languages and Cultures
Classical Civilization	See World Languages and Cultures
College of Arts and Sciences	Visit the display in the Grand Ballroom of the Bowen-Thompson Student Union to talk with an academic advisor. Many of our programs are also offering special activities and open classes.
College of Business	Visit the College of Business building second floor from 10 a.m. to 2 p.m. to meet with current students, talk with faculty and take a tour of the building, covering the activities and opportunities happening in the college every day!
Business District Learning Community	Did you know we have a Learning Community? The Business District is a dedicated learning community for Business majors. Ask us more about it at the College of Business table. We also recommend taking a residence hall tour in Kohl Hall from 10 a.m. to 3 p.m., home to our learning community.
Batchelder Music Learning Community	The Batchelder Music Learning Community is a dedicated learning community for students passionate about music. Ask us more about it at the College of Musical Arts table! We also recommend taking a residence hall tour in Kreischer Batchelder from 10 a.m. to 3 p.m., home to our learning community.
College of Education and Human Development	College of EDHD: Navigate Presidents' Day 115 Education Building 9:30 - 10 a.m. Wow! There are a lot of opportunities throughout the day. Stop by this session to better understand how to navigate Presidents' Day as a prospective EDHD Student. What classes should you attend? What sessions will be most helpful? We can help!
College of Health and Human Services	Departmental Open Houses will be hosted in the Health and Human Services Building or Moseley Hall from 9:30 a.m. to 2 p.m., unless otherwise noted below: > Applied Health Science, Health Care Admin 127 Health and Human Services > Applied Health Science, Health Science Specialization 127 Health and Human Services > Communication Disorders (CDIS) 213 Health and Human Services > Criminal Justice 128 Health and Human Services > Dietetics 127 Health and Human Services > Gerontology 105 Health and Human Services > Medical Laboratory Science 102 Moseley Hall > Nursing College of Health and Human Services Display, Bowen-Thompson Student Union, Ballroom > Public Health 127 Health and Human Services > Social Work 107 Health and Human Services

College of Musical Arts	Visit the College of Musical Arts display in the Grand Ballroom of the Bowen-Thompson Student Union. Select open classes will be offered as well, and can be found in the list of open classes.
College of Technology, Architecture and Applied Engineering *	Visit the College of Technology, Architecture and Applied Engineering from 9:30 a.m. to 2 p.m. during our open house event. Experience our numerous hands-on laboratory spaces, renovated Architecture building and the BG Flight Center. Enjoy refreshments and giveaways while interacting with faculty and staff learning about the many opportunities available to you.
Communication	See School of Media and Communication
Communication Sciences and Disorders	See College of Health and Human Services
Computer Science Computer Science - Digital Forensics Computer Science - Business Systems Computer Science - Software Engineering	Prospective students and their families will have the opportunity to meet with the current students and faculty to discuss the Computer Science and Software Engineering programs with Digital Forensics and Computational Data Science specializations. Come and learn about career opportunities with light refreshments from 9 a.m. to 2 p.m. in Hayes Hall 217. Tours will include computer lab and digital forensics lab visits at 11 a.m. and 1 p.m.
Construction Management*	School of the Built Environment Information Session (For students interested in Architecture & Construction Management) Learn more about BGSU's newly formed School of the Built Environment. Architecture and Construction Management come together in this unique melding of programs to prepare students for the demanding industry of design-build. Join us in the Technology Building, Room 220 at Noon to learn more about these exciting programs, speak directly with faculty and tour our exciting labs and studios. See also: College of Technology, Architecture and Applied Engineering

*Shuttle service to the Technology Building, Park Ave. Architecture Building and Flight Center will be available from 9:30 a.m. to 2:30 p.m. outside the Bowen-Thompson Student Union, near the Black Swamp Pub.

CCP Transition and Advising Preparation Info Sessions

For current high school seniors planning to attend BGSU who have taken a BGSU CCP class

Offered every 30 minutes from 8:30 a.m. to 3 p.m. (*The last session will begin at 2:30 p.m.*)

University Hall, Room 210

The CCP Transition and Advising Preparation Info Sessions at Presidents' Day are intended for graduating seniors who plan to attend BGSU after they graduate high school and have taken a BGSU CCP class. Note: if you have never taken a BGSU CCP class, this session is not for you.

OPEN CLASSES

Class is in session today, and you're welcome to sit in on a class or two, to get a glimpse at a day-in-the-life for BGSU Falcons

> Open classes have limited seating. We recommend you arrive a few minutes early to introduce yourself to the faculty member and find a seat in the classroom

> Please plan to arrive a few minutes before the listed start time and stay through the whole class

> Parents and guests are welcome to attend open classes, as well

> Don't see a class offered in your major? Branch out! Remember, you'll be taking classes in many different fields of study during your time at BGSU

Notes

BOWLING GREEN, OHIO: YOUR HOME AWAY FROM HOME

Nestled in one of America's best college towns,

BGSU students fall in love with the city of Bowling Green because of its vibrant downtown marked with memorable streetscape, great architecture and family-owned shops and eateries.

Students can walk the length of the BGSU campus in 20 minutes and can be in downtown and the surrounding neighborhoods in a just few more steps. In many ways, BGSU and the surrounding town are exactly like a college experience should be — energetic, welcoming and safe.

Students choose from an array of local treasures off campus ranging from world famous stuffed breadsticks at Campus Pollyeyes to a warm drink and a good book at Grounds for Thought. It's common for students to seek a quiet place downtown for solitude during the weekdays and to return on the weekends for a night out with newfound friends.

Students sometimes find part-time jobs in the boutiques and shops, most of which are locally owned and staples of the community. When students leave for breaks and holidays, the town hums along, but you better believe they roll out the orange carpet on Main Street when the students return.

"We look for opportunities of student engagement with our businesses as well as our community," said Mary Hinkelman, executive director of the Bowling Green Chamber of Commerce. "It's important that students feel welcome, become involved in community events and organizations and embrace the 'Think BG' experience."

Students, friends and neighbors throughout the area enjoy numerous festivals and events, such as the annual Black Swamp Arts Festival in the fall, the Community Tree Lighting and Downtown Dollars Day in November, and Winterfest in February.

The city's parks also provide something for everyone. Carter Park features an 18-hole disc golf course, sand volleyball courts, a softball complex and playground. Wintergarden/St. John's Nature Preserve provides miles of hiking trails through wooded areas and scenic settings.

Many students base part of their college decision on the quaintness of the town, and we encourage you to take a peek at ours today. It draws students from around the world who want to enjoy a city that's an extension of their campus — the college experience you've always dreamed of.

Welcome to our campus and to our town! Make yourself at home.

**COMMIT TO
BGSU!**

Make your \$200 initial housing payment and pick up your Class of 2024 T-shirt. Commuters get a shirt, too! Come to the Future Falcon Technology Hub located in the Information Fair.

BGSU BELONG. STAND OUT. GO FAR.™
CHANGING LIVES FOR THE WORLD.
